Title: Need to open a Jawahar Navodaya Vidyalaya at Hanur in Chamrajanagar district, Karnataka.

SHRI R. DHRUVANARAYANA (CHAMRAJANAGAR): My district Chamrajanagar in Karnataka has pre-dominant SC/ST population who have, so far, been deprived of Jawahar Navodaya Vidyalaya. In the 2008-09 General Budget, the Centre had approved opening of twenty Jawahar Navodaya Vidyalayas in SC/ST concentrated districts but the legitimate claim of Chamrajanagar was overlooked.

It is learnt that in the current budget 2010-11, an amount of Rs 424.80 crores under the Plan and Non-Plan allocations have been made for Navodaya Vidyalayas. A proposal for opening a Navodaya Vidayalaya at Hanur in Kollegal Taluka of Chamrajanagar district is pending since long time.

Now, as almost 600 Navodaya Vidyalayas have been set up in Various parts of the country, serving the marginalized and deprived sections of the society, I earnestly request the Centre to accede to the proposal for opening a Jawahar Navodaya Vidyalaya in my Parliamentary Constituency of Chamrajanagar during the current Financial year.
